

The Fredericksburg SPCA is on the cutting edge of an inspiring national movement to keep pets and their families together and are looking for a Licensed Veterinary Technician to join our Medical Team. Are you interested in becoming part of our LIFE SAVING efforts? We are a non-profit clinic providing high quality, low cost medicine to members of our community including our rescue partners and People Empowered Through Support Clients. Our team is made up of compassionate individuals who believe teamwork makes dream work! Collaboration is the key in this fast-paced, fun work environment. Not only will you get to change the lives of homeless animals, but you get the chance to shape shelter medicine for the benefit of the community as a whole! So are you ready to save lives? Join our Team and become a SuperHero! Apply by sending your resume and cover letter to the FredSPCA.

JOB SUMMARY

The Veterinary Technician will assist our Veterinarian team with all treatment and care of animal patients. The Veterinary Technician will report to the Clinic Coordinator. The Fredericksburg SPCA is a highly progressive animal welfare organization. This is a fast-paced environment focused on providing high quality, high volume spay and neuter surgeries and low cost medical care to our shelter animals and our community. The ideal candidate will work well on a team as well as take the initiative to complete tasks as an individual. We look for easy-going, low-drama folks, who maintain a positive attitude and have a sense of humor. The ideal candidate will be timely, reliable, courteous and respectful to team members, hard-working, dress professionally (scrubs), an excellent communicator, and easy-going. We value respect and hard work and optimism. We work hard, but like to have fun while doing it! Apply by sending your resume and cover letter to the FredSPCA.
